Scabal
Producer of Fine Cloth and Men's Clothing
Brussels, Belgium

They make 'ready to wear' (off the rack) and 'custom' (made to your measurements) garments. A full line of suits and accessories. Repeat (very wealthy) clients have their own patterns on file for their perfect suit - they only need to phone in an order.

quality in the fabric - 100/ 140/ 150/ 180/ 200 the numbers are the kilometer length s that the threads are spun to.

Graham weight is the weight of the fabric... summer vs. winter weight.

Exceptional Qualities in unique (rather than plain) patterns are created in a maximum quantity of 30 meters = 10 suits. Fabric is sent to the specified tailor with a certificate of authenticity - a guarantee signed by the CEO of Scabal. Examples: Diamond Dust fabric, 24 karat gold pinstriped fabric.

Suggestions:

Brush down jackets after every use. Use a straw broom or a corduroy brush (don't use a sticky roller).

Buy 2 pairs of pants with every suit of favorite fabrics (cloth may vary from dye lots and may be discontinued).

Dry cleaning once every 5 years is fine - if the garment does not soil.
